

MongoDB, Inc. to Host Investor Session at MongoDB.local NYC 2024

April 18, 2024

NEW YORK, April 18, 2024 /PRNewswire/ -- MongoDB, Inc. (NASDAQ: MDB) today announced that it will host an investor session at MongoDB.local in New York City. The day will begin at 10:00 a.m. ET on Thursday, May 2nd with MongoDB.local keynote presentations from Dev Ittycheria, MongoDB's President & CEO, and Sahir Azam, MongoDB's Chief Product Officer. The investor session, hosted by MongoDB's executive team, will follow from 11:45 a.m. – 2:45 p.m. ET.

Investors interested in attending in-person in New York City should contact Investor Relations at ir@mongodb.com. Both the keynote presentations and the investor session will be webcast live and the replay will be available on the company's Investor Relations website (<https://investors.mongodb.com>).

About MongoDB

Headquartered in New York, MongoDB's mission is to empower innovators to create, transform, and disrupt industries by unleashing the power of software and data. Built by developers, for developers, MongoDB's developer data platform is a database with an integrated set of related services that allow development teams to address the growing requirements for today's wide variety of modern applications, all in a unified and consistent user experience. MongoDB has tens of thousands of customers in over 100 countries. The MongoDB database platform has been downloaded hundreds of millions of times since 2007, and there have been millions of builders trained through MongoDB University courses.
