

MongoDB, Inc. to Host Investor Day in New York City

September 11, 2026

NEW YORK, Sept. 11, 2026 /PRNewswire/ -- As previously announced, MongoDB, Inc. (NASDAQ: MDB) will host an investor day in New York City on September 29th. The investor day, hosted by MongoDB's executive team, will take place from 11:00 a.m. – 3:30 p.m. ET.

The investor day will be webcast live and the replay will be available on the company's Investor Relations website (<https://investors.mongodb.com>).

About MongoDB

MongoDB is the real-time, intelligent data platform for modern applications in the multi-cloud and AI era. Headquartered in New York, MongoDB helps organizations move faster, build smarter, and simplify complex architectures on a unified platform for operational data, search, real-time analytics, and AI-powered retrieval, coupled with MongoDB Voyage AI's industry-leading embedding and reranking models. The platform is available as a fully managed service with MongoDB Atlas or self-managed with MongoDB Enterprise Advanced or Community Edition. Millions of developers and more than 70,000 customers, including approximately 75% of the Fortune 100, rely on MongoDB for their most important customer-facing applications.
